Press Release

Jay Marroquin Photography to showcase controversial "HATE!!" exhibit at Houston Press Artopia 2011

"Those who do not remember the past are condemned to repeat it" George Santayana

Houston, TX, January 28, 2011: On January 29th, 2011, Jay Marroquin will unveil his "HATE!!" exhibit at Houston Press Artopia. The collection of four powerful photographs will be depicting hate and mankind at its darkest hour throughout time.

This exhibit will not be for the faint of heart. It's going to be real, in your face and show that HATE still exists in today's society. The goal of the exhibit is to serve as a reminder to people, that hate no matter how small, can manifest itself into something way bigger and evil. As people, we must learn to tolerate, work with, co-exist and open our minds to things that we may not understand, or be comfortable with.
